

THE
COOPERATIVE
MINISTRY

Help For Today. Hope For Tomorrow.

Volunteer Income Tax Assistance

Are you worried about getting your taxes
filed this year?

Let us help you for **FREE!**

The Cooperative Ministry will coordinate free tax preparation this upcoming tax season to help low-to moderate income (generally, \$49,000 and below) individuals who need assistance preparing their tax returns. We will have nine locations throughout Richland, Lexington, and Fairfield counties.

Trained community volunteers can help you identify whether or not you are eligible to earn special credits, such as Earned Income Tax Credit (EITC) and Child Tax Credit, which can help put money back into your pockets. To learn more about our program you can call 2-1-1
